Page 3: Elearning. Choose the training you wish to receive. It will ask for a BSA registration number. You will not have one until your volunteer application has been submitted and approved, but you can still proceed with training. It will give you the opportunity to create a username and password and then complete the training without the number. You will gain credit after you re-enter your number once you receive your registration card.

## BSA Online Learning Center

This site provides a variety of materials, from quick references to complete courses, all designed to help our members improve leadership skills and deliver a quality program.

### E-LEARNING COURSES

These courses can help adult leaders deliver quality Scouting experiences to youth. A log-in is required, however anyone may create a user account and view the courses. Registered members of the BSA may provide their member numbers (as part of the user profile) to receive credit.

**BUG ALERT:** A number of users have reported that they are unable to create accounts for the e-learning system using **Microsoft Internet Explorer version 7.0** (the very latest version) because an image is superimposed over text fields, preventing them from entering data. We are currently working on a newer version of the account creation/management interface that will not have this problem.

In the meantime, these users may be able to complete the form if they use their "tab" key to navigate among text fields. Otherwise, they will need to use a different Web browser (Netscape, FireFox, or even an older version of IE) to create an account.

### MULTIMEDIA

These online exercises are available for informational purposes. No log-in is required.

## Cub Scouts

Cub Scouting means "doing." Everything in Cub Scouting is designed to have the boys doing things. Activities are used to achieve the aims of Scouting—citizenship training, character development, and personal fitness. Many of the activities happen right in the den and pack. The most important are the weekly den meetings and the monthly pack meetings.

Apart from the fun and excitement of Cub Scout activities, the Cub Scout Promise, the Law of the Pack, and the Cub Scout sign, handshake, motto, and salute all teach good citizenship and contribute to a boy's sense of belonging.

Join Us in Cub Scouting!

To the left you can select the part of Cub Scouting that best applies to you and you will learn how you fit into Cub Scouting and how well it will fit you, too!

### Cub Scout Promise

I, (name), promise to do my best

To do my duty to God and my country,

To help other people, and

To obey the Law of the Pack.

### Law of the Pack

The Cub Scout follows Akela.

The Cub Scout helps the pack go.

The pack helps the Cub Scout grow.

The Cub Scout gives goodwill.

## Adult Leaders

Cub Scouting's volunteer leaders work with boys and their families to improve their communities by enriching the lives of the families who live there. Cub Scout leaders support the family. They take an active part in helping to strengthen families and their boys by providing a fun-filled, worthwhile program that teaches values.
