

Pack 93 – USS Alabama Trip

Pack 93 will be going to the USS Alabama on Saturday December 6 and returning Sunday December 7, 2008. We will plan to meet at the USS Alabama mid-afternoon on Saturday. Please feel free to organize car pools to conserve gas. We will be assigned bunks and will put our equipment onboard that afternoon.

Only male guardians are allowed to spend the night on the ship. At 8:00 PM all female guardians will be required to go ashore. The closest hotel is the Best Western Battleship (251-432-2703). Today's rate is 129.00 for a double queen bed room. If you are a mom who will be leaving your cub on board without a male guardian, the Pack staff must be notified. We will have to make arrangements for his care at night.

If you plan to eat with the Pack Saturday night, we will be ordering pizza to be delivered to the ship. The cost will be \$5.00 per head.

After dinner we will play some games and have fun on the ship.

What to bring:

- Sleeping bag

- Pillow

- pj's

- Personal toiletries

- Sturdy flashlight (and extra batteries)

 - (If a cheap flash light gets dropped, it may break... every thing is hard!)

- Change of clothing for Sunday

- Light jacket

Cost:

The cost of staying on the ship is \$21.00 per head. This must be paid in advance by or on the Fall Campout on October 4th. Make checks payable to Pack 93. We have openings for the first 120 that signs up and pays. You can also purchase tee-shirts and personalized military dog tags.

Sunday morning.

After peaceful nights sleep (as long as no one snores ...) every one is dismissed to go find breakfast and head home. There is a small restaurant at the battleship, but it gets crowded very quickly.

More information will be supplied as we get closer to the trip. This has been a wonderful trip in the past and looking forward to another great trip.
